

WARREN COUNTY PARKS AND RECREATION
DEPARTMENT
YOUTH SPORTS CHARTER APPLICATION

League: _____

All leagues that are affiliated with or use the Warren County Parks and Recreation Department (WCPRD) facilities, including Warren County Public School property, must possess a league charter through the WCPRD. The league charter serves as a mutual agreement between the associated league and the WCPRD/Warren County Fiscal Court (WCFC) and states the league's responsibilities to WCPRD. Application for a league charter (this document) must be obtained from and renewed with WCPRD for each sports season (ex: spring baseball; fall baseball) 6-8 weeks prior to season start. Each application must be signed by the league president, vice-president, and treasurer.

Each league must present and abide by the charter requirements listed below. Failure to comply with any requirement will result in denial of the request for a league charter. The league charter will be restored upon the compliance of the league and proper corrective action of the league insuring future compliance. WCPRD and WCFC reserve the right to investigate any and all complaints of wrong doing, noncompliance of charter rules, and complaints about league operations and take appropriate actions based on the findings of the investigation. If illegal activity is in question, complaints will be turned over to law enforcement.
